

# FIRE-IN

---

## Strategic R&I For the Fire and Rescue community

DRS workshop 15/09/2020

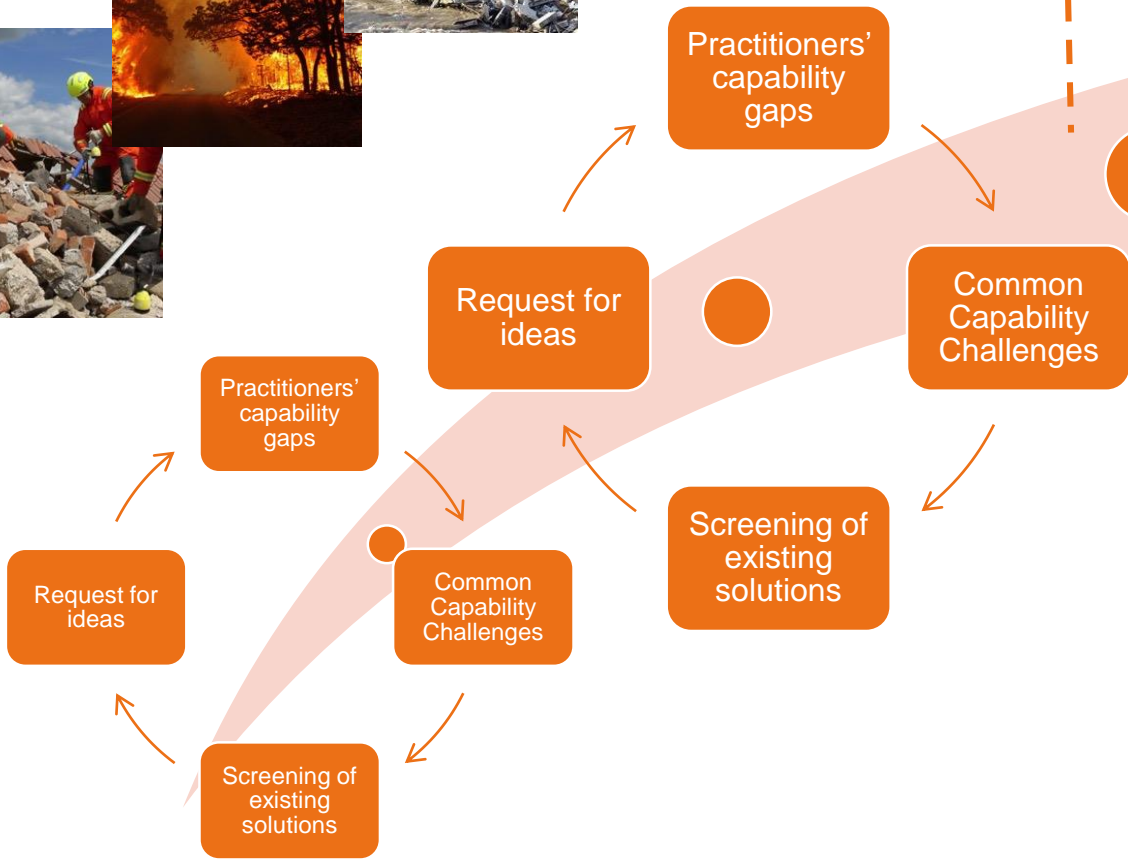

Sébastien LAHAYE, SAFE Cluster

FIRE-IN has received funding from the European Union's Horizon 2020 Research and Innovation programme under grant agreement N°740 575

# update

2017.....Sept. 2020.....2022

# Practitioners feedback

Top1 challenge: Citizens' involvement

- **Prevention phase**
- **Crisis mitigation**

Top2 challenge: Increase preparation and interoperability of organisations

# COVID 19 sharing of knowledges

You are here FIRE IN / Coronavirus: European countries share their best Practices!

## Coronavirus: European countries share their best Practices!

Coronavirus outbreak: Best practices, guidelines from European countries and Fire and Rescue services (+ more)

### Compilation of English content on guidelines and recommendations:

- Rapid risk assessment: Novel coronavirus disease 2019 (COVID-19) pandemic: increased transmission in the EU/EEA and the world [here](#)
- Critical preparedness, readiness and response actions for COVID-19 by World Health Organization ([file](#))

Just-in-time training  
Best practices and methodologies in the medical,  
flood response and CBRN fields

## Just-in-Time training

# |||&||| s c r e e n i n g

1700 articles

Hundreds of technological tools:

Satellite, GIS, UAV, Robots....

Ways to follow:

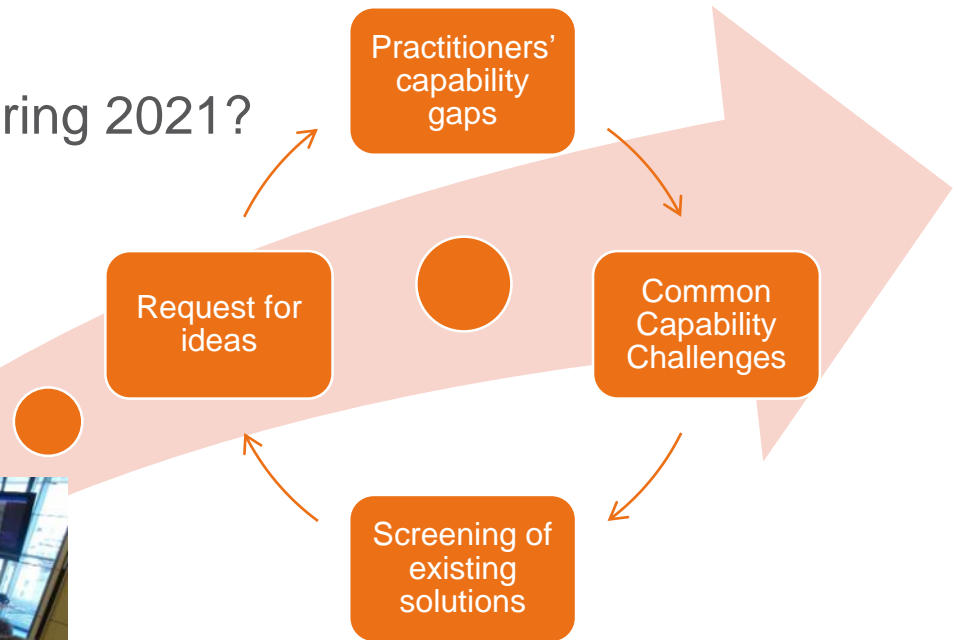

- Risk communication for public
- Cost effective
- Easy-tu-use -> training
- Interoperability / standards

# Next steps?

Last cycle: FUTURE Challenges (incl. climate projections...)

- Webinars November 2020
- Online surveys
- Face-to-face workshops Spring 2021?
